Re: Chicago airtel to the Director, as to New York, Omaha and Philadelphia, dated 6/26/64.

This airtel pointed out that MALCOLM LITTLE planned to be in Chicago, Illinois, on 7/2/64, for a possible appearance on Radio Station WVON on that date and to tape a program for "Off the Cuff" which would possibly appear on WBEZ-TV 7/2/64.

On 7/2/64, (protect) advised that he had learned from VESLEY SOUTH, moderator of "Hot Line", which was to be on WVON Radio, that MALCOLM LITTLE was not coming to Chicago, Illinois, on 7/2/64, because his wife was having, or had had, a baby. (protect) further advised he had contacted an individual at WBEZ-TV and had been told that MALCOLM LITTLE definitely was not tape a program for "Off the Cuff" on 7/2/64.

The above is for the information of the Bureau and New York and Omaha Offices.

It is the observation of the NYO that the plans and aims of the OAAU are identical to that of the MMI with the exception that the Islamic religion is not present. However, this omission may make the OAAU more attractive to certain Negroes who were unwilling to affiliate with the MMI.

Basically, MALCOLM X as chairman of the OAAU espouses the same line that he follows as leader and spokesman for the MMI. He continues to have an overtone of black nationalism; continues to criticize non-violence in the civil rights field and urges a policy of self defense; and desires to internationalize the racial movement and affiliate with African nations.

Any information coming to the attention of the NYO indicating that MALCOLM X or his MMI/OAAU are planning any racial type demonstration or activities anywhere, will be promptly furnished to the Bureau and interested offices.

NY 105-8999-4/6/75
The July 1, 1964 edition of the "New York Journal American", a daily newspaper published in New York City, contained an article on page one concerning Malcolm X Little, founder and leader of the Muslim Mosque, Incorporated (MMI) and chairman of the Organization of Afro-American Unity (OAAU).

Characterizations of the MMI, Nation of Islam (NOI) and NOI Mosque #1, New York City, are attached hereto and all sources therein have furnished reliable information in the past.

This article bore a front page headline stating "Malcolm X Plans For A Take-Over". It indicated that Malcolm X had announced the formation of the OAAU which is a Negro organization dedicated to "fomenting a black revolution in this country 'by any means necessary', including arming Negroes."

In an interview, the article continued, Malcolm X said that he and other militant Negro groups have established a "brain trust" which is mapping an OAAU program. Members of this brain trust named by Malcolm X are:

2. Gloria Richardson of the "Freedom Now" movement in Cambridge, Maryland
Organization of Afro-American Unity

4. John Lewis, head of the Student Non-Violent Coordinating Committee.

5. Jesse Gray, New York Harlem rent strike leader.

On November 20, 1958, a confidential source who has furnished reliable information in the past, advised that Jesse Gray had been the organizer for the Harlem Region of the Communist Party, USA (CPUSA), but this position terminated during November, 1958.

On January 24, 1964, a second confidential source who has furnished reliable information in the past, advised that according to William Patterson, Chairman of the New York District CP, Jesse Gray is no longer a CP member but is friendly to the CP.

The article indicated that the OAAU is out to wrest control of the Negro civil rights movement from less militant leaders such as: Roy Wilkins, Executive Secretary of the National Association for the Advancement of Colored People; James Farmer, head of the Congress of Racial Equality; and Dr. Martin Luther King, head of the Southern Christian Leadership Conference.

Malcolm X indicated that the OAAU will begin a voters registration campaign among Negroes and instruct them to vote for Negro candidates. Also, "militant" demonstrations for getting jobs for Negroes are planned in New York City, Detroit, Chicago, Cleveland, Philadelphia and other areas with a large Negro population.

On arming Negroes, Malcolm X stated that it was the duty of every Afro-American to protect its people against "mass murderers, bombers, lynchers, floggers, brutalizers, and exploiters". He stated "A man with a rifle or a club can only be stopped by a person who defends himself with a rifle or club."
Organization of Afro-American Unity

The article indicated that Malcolm X was not worried by the inauspicious start the OAAU got at its founding meeting (in NYC on 6/28/64), stating that it would take a little time for "our" message to be grasped by the Negro community. He stated "we" have the program and the nucleus and predicted that before long the OAAU would be the leading black organization in this country.

On June 29, 1964, a third confidential source, who has furnished reliable information in the past, advised that Malcolm X was disappointed over the number of persons who registered to join the OAAU following the organizational meeting on June 28, 1964. Only 90 persons registered.

On July 1, 1964, this third source advised that according to Malcolm X his threats and program to organize Negroes to go and fight white racists in Mississippi unless President Johnson sends in federal troops, is designed to put the government on the spot and force the President to do something.

During the past month, MALCOLM X LITTLE and the MMI
have attempted to publicize the illegitimate children of
ELIJAH MUHAMMAD through various news media. He has been
successful in getting the story on several radio programs
during interviews, but a fear of libel suits has apparently
kept such publicity at a minimum. However, representatives
of various news agencies have advised MALCOLM that they
could publicize it if the women involved instituted legal
action against MUHAMMAD.

It is noted that during the first weekend of June, 1964, MALCOLM sent his MMI assistant, JAMES 67X WARDEN, to
Phoenix and Los Angeles where he obtained statements from
two of the women involved, a Sister EVELYN and Sister LUCILLE.

On 6/29/64, advised that on that date, MALCOLM engaged in a conversation concerning the above with

fact joined up with MALCOLM LITTLE would be speculative. Chicago has all of its sources alerted in this regard. In the event it is proven WALLACE MUHAMMAD and/or others have joined MALCOLM LITTLE the Bureau and interested offices will be immediately advised by appropriate communication suitable for dissemination.

Source, who has furnished reliable information in the past, advised that during an FOI meeting held by MTI No. 2, Chicago, on 6/16/64, Lieutenant LOUIS 3X (CABE) announced there are more deceptive members among us and they are being seduced by defected members who had supported MALCOLM LITTLE. LOUIS 3X remarked that LITTLE was the greatest deceiver of all times. Source added that CABE remarked that MALCOLM's group numbers about 20 and is holding meetings in Washington Park on Sundays.

Source was subsequently contacted by SAs and and advised that Lieutenant LOUIS 3X had stated the dissident members of MTI No. 2 were followers of MALCOLM LITTLE. He stated this group, according to LOUIS 3X, consisted of WADE X, ROBERT 18X EDMUNDS and ARTHUR 3X. Source advised he had no knowledge other than the above announcement that there was an organized group following MALCOLM LITTLE in Chicago. Source stated that he believes Lieutenant LOUIS 3X and other Temple officials will brand any person or groups of persons who deviate from the teachings of ELIJAH MUHAMMAD as followers of MALCOLM LITTLE whether they are or not.

On 6/18 and 26/64, Source, who has furnished reliable information in the past, was contacted by SAs in this regard. He stated he knew WADE X, ARTHUR 10X and other members of this dissident group of former NOI members. He stated he had no knowledge and had heard no announcements at MTI No. 2 regarding individuals following LITTLE holding meetings in Washington Park on Sundays.

Source and Source, who have furnished reliable information in the past, advised SAs on 6/26/64, that they knew of no group following MALCOLM LITTLE holding meetings in Washington Park on Sundays.

All sources advised they would be alert for such information and Source stated they would visit Washington Park on Sunday in an effort to see if they could spot WADE X and others meeting there.

\[\text{on 6/30/64, that he visited Washington Park for a period of approximately 24 hours on Sunday, 6/28/64, but did not observe any NOI members holding meetings in this park.}\]

On 6/24/64, the officer \[
\text{advised ARTHUR SQUALLS, aka ARTHUR 10X, was interviewed on 6/22/64, by officers of the Chicago Police Department about his alleged beating by members of MTI No. 2. He stated "I have been a member of the Black Muslim cult for the last 2½ years and am a firm believer in the Islam religion; however, I have no allegiance to ELIJAH MUHAMMAD, Sr. I do have faith in and believe in what he taught me." ARTHUR 10X went on to describe his involvement with MTI No. 2, and his alleged beating. This information has been previously furnished the Bureau in referenced airtel. The officers mentioned above stated that ARTHUR 10X remarked that he had an appointment with a "Chicago Daily News reporter" and hoped to talk to LEN O'CONNOR, a well known T.V. commentator in Chicago with Station WMBQ-TV. ARTHUR 10X stated "I want all the publicity I can get".}\

who has furnished reliable information in the past, on 6/24/64 advised that LOTTIE and CLARA MUHAMMAD, ELIJAH MUHAMMAD's daughter and wife, were in contact and LOTTIE stated there were two carloads of plotters sitting out front now having a meeting (presumably in front of MTI No. 2, 5335 South Greenwood, Chicago). LOTTIE stated she could see WALLACE (MUHAMMAD) out there and that they are sinning and double sinning by pulling some of the others away. LOTTIE stated that ELIJAH MUHAMMAD had remarked that they should leave this to Allah as he, Allah, will take care of them altogether. CLARA remarked that she had told WALLACE that she, CLARA, did not think that he, WALLACE, could be her son any longer. CLARA added that she is beginning to believe that this is the time that Allah had told them that would come about. CLARA remarked that they should leave WALLACE and MALCOLM alone and all of them should just keep their mouths shut.
continued on 6/25/64, that CLARA MUHAMMAD and LOTTIE MUHAMMAD remarked that neither one of them can understand WALLACE. They indicated that WALLACE had been going around to the members of the Mosque trying to get them to leave it and if they had not heard him saying so they would not have believed it.

As the Bureau has been advised in previous communication, HASSAN SHARRIEFF telephonically contacted SA during this past week and indicated he had disassociated himself from the NOI and his father, RAYMOND SHARRIEFF, had announced to the membership of MTI No. 2 that WALLACE MUHAMMAD and HASSAN SHARRIEFF had deviated and were hypocrites.
On 6/25-26/64, Old Courthouse, Chicago, Illinois, advised

of the following:

telephonically contacted [redacted] on 6/23/64, and stated that HASSAN SHARRIEFF had asked if he, HASSAN, and his friends should carry a gun for protection since they had left the NOI. [redacted] stated he told [redacted] to tell HASSAN to call the FBI in Chicago concerning this.

On 6/25/64, [redacted] again contacted [redacted] and remarked that HASSAN had contacted the Chicago Police Department and was advised that HASSAN could keep a gun in his house and also hinted in a fashion that he might carry one for protection. [redacted] stated that HASSAN had given him a Spanish .38 caliber Starfire for his protection but after talking it over with [redacted] returned this gun to HASSAN on 6/26/64. [redacted] does not know if HASSAN or his friends have guns, are carrying them or the source of supply of same.

[redacted] further indicated to [redacted] that approximately two weeks ago two professional karate NOI members of Chicago, LOUIS 3X (CARR) and JOHN 21X (GARRISON) were sent to Detroit, Michigan to get MALCOLM X, this being approved by RAYMOND SHARRIEFF and ELIJAH MUHAMMAD, Jr. [redacted] stated that MALCOLM X was so heavily guarded that they could not get to him. The pretext used by these two men while visiting Detroit was to visit a sick relative. [redacted] indicated that these two individuals are still trying to get MALCOLM X. [redacted] added that on 6/25/64, he got a "sort of a direct threat from [redacted] in that he was warned that his NOI had better stop allowing his friends to hold meetings at his house as he and his friends might get hurt. [redacted] indicated to [redacted] there is a story in the Bible about a brother who had been asked by his father to kill his brother. [redacted] stated that while MALCOLM X was in Mecca he wrote a letter to suggesting that he join MALCOLM X. After talking this over with [redacted] both agreed that since [redacted] was on parole he should not join with anyone. [redacted] has a copy of this letter.

As the Bureau and New York have been advised by teletype on 6/26/64, reservations have been made on American Airlines Flight 702 for a group of 30 persons, including ELIJAH MUHAMMAD, to travel to New York City on 6/26/64. Included in this group were the names W. MUHAMMAD and R. SHARRIEFF which would indicate that these individuals are back in the "fold".

- 5 -
On 6/28/64, SA [redacted] conducted a fluor at O'Hare Field and neither WALLACE MUHAMMAD nor HASSAN SHARRIEFF were observed in the group of approximately 30 individuals who accompanied XLIJAH MUHAMMAD to New York City.

As the Bureau is aware there is an indication MALCOLM LITTLE will be in Chicago on 7/2/64, for a radio appearance. A New York source advised that MALCOLM planned to meet with WALLACE MUHAMMAD during his visit to Chicago.

Chicago will closely follow this matter and pertinent data will be forwarded to the Bureau and interested offices.

As is apparent from the above, the situation in the NOI in Chicago is in a state of discord and indecision. Chicago does not believe the above is factual enough to be disseminated to other agencies at this time.

The Security Unit of the Chicago Police Department has been furnished information of a general nature regarding the above data.

On June 29, 1964, a confidential source, who
has furnished reliable information in the past, furnished
information that Martin Luther King, Jr., contacted Clarence
Jones on that date. King stated that he is going to St.
Augustine, Florida, on June 30, 1964, and he mentioned the
possibility of a bi-racial committee being formed (to deal
with the racial situation in that city). King mentioned
that the Klan (Ku Klux Klan) took over the city last week,
and he said that the decent people became enraged. King
mentioned that he feels that this week will bring a real
change, and he said that it looks like victory.

King mentioned to Jones that he does not think
the bodies (of the three civil rights workers who have been
missing since June 21, 1964) will ever be found in Mississippi,
and he stated that he believes that the bodies have been disposed
of. Jones remarked that the Sheriff (the Sheriff of Neshoba
County, Mississippi) probably helped in this.

King mentioned that he will appear at the Republican Convention (which will start on July 13, 1964, in San Francisco, California) a week from tomorrow, and he said that he plans to give a strong plea for civil rights. 

Jones remarked that he will assist King with the text. 

King mentioned that he will make a reference to Goldwater (Senator Barry Goldwater from Arizona, who voted against the Civil Rights Bill) at a press conference at the convention. 

King mentioned that he will be in New York on Thursday and Friday (July 2 and 3, 1964) for a television program. Jones replied that he can have the text completed by that time and that King could look it over.

On June 29, 1964, a second confidential source, who has furnished reliable information in the past, furnished information that Clarence Jones contacted John Killens (who is a Negro author) on that date. Jones told Killens how great he thought Malcolm X is, and both men agreed that he is a real leader and a person to watch. Killens said that he would like to get together with Malcolm as soon as possible.

Jones stated that he believes Malcolm needs organizational help, and he suggested that Killens or Ossie (Ossie Davis) could help with Malcolm's speeches. Jones said that he is willing to do anything he can to help. Jones stated that they should try to get Malcolm's speech printed, and he suggested the possibility of having it printed in Freedomways or put out in a pamphlet.

On June 29, 1964, the second confidential source furnished information that Clarence Jones was in contact with Ruby (Dee) and a man, whom the source was unable to identify, on that date. Jones stated that he had attended a meeting which Malcolm X, (Malcolm X Little, who is the founder and leader of the Muslim Mosque, Incorporated, and is Chairman of the Organization of Afro-American Unity) had last night, and he stated that he was really moved by the statement of principles made by Malcolm X. Jones mentioned that it (the statement) concerned the matter of Afro-American unity and racism and the common problem to eliminate racism in this country.

Jones mentioned that Malcolm X is to go to Africa in ten days. Jones and the man, whom the source could not identify, planned to meet with Martin Luther King and Malcolm X before Malcolm X goes to Africa.

Clarence Jones offered all of his services to Malcolm. In response to Jones' question, Malcolm stated that his recent meeting had been taped, and Jones suggested that it should be transcribed and printed. Jones said he would get it printed with no cost to Malcolm.

Clarence Jones is the General Counsel for the Gandhi Society For Human Rights, 15 East 40th Street, New York City.

The LYL has been designated pursuant to Executive Order 10450.

The Ku Klux Klan has been designated pursuant to Executive Order 10450.

It is to be noted that Martin Luther King, Jr., and the Southern Christian Leadership Conference (SCLC) have been conducting demonstrations in St. Augustine, Florida, protesting racial segregation in public places.

On June 28, 1964, Malcolm X spoke at a meeting of the Muslim Mosque, Incorporated, at 166th Street and Broadway.

A confidential source, who has furnished reliable information in the past, advised on April 12, 1962, that Ossie Davis and his wife, Ruby Wallace (Ruby Dee) are not known to be members of the Communist Party; however, they have the reputation of supporting or aiding causes, through personal appearances, which are also supported by the Communist Party.

On February 26, 1962, John C. Killens was interviewed under oath by a Special Agent of the Federal Bureau of Investigation, at which time Killens said that he had been a member of the Washington Committee for Democratic Action, had been a delegate to a 1941 conference of the American Youth Congress, and had participated in activities and made contributions to the National Negro Congress. He said he had never been an active member of this organization.

The Washington Committee for Democratic Action, the American Youth Congress and the National Negro Congress have been designated pursuant to Executive Order 10450.

Malcolm X says Muhammad Falls Cause of Negroes

Malcolm X, the dissident Black Muslim, criticized Elijah Muhammad yesterday for not using his organization to fight bigotry in the South. Since breaking with the Muhammad group, Malcolm X has operated through his own Afro-American Unity Organization.

"Elijah spends his time denouncing white persons and his followers," Malcolm declared in an interview. "Why doesn't he denounce the Ku Klux Klan and the White Citizens Council? Why doesn't he send his followers to Mississippi and Florida to help the Negro and white civil rights volunteers who are trying to better things there?"

He accused the self-styled "messengers of Allah" of deserting the Negroes by his failure to join white persons in the civil rights struggle.

There were approximately five hundred persons in

In his speech, Little announced the

politics, culture, economics and social reform. The

United Nations. Little also stated that he would send a telegram to civil rights leader Dr. Martin Luther King offering their help to King in the racial struggle down South if the United States Government fails to take decisive action.

Little announced that temporary headquarters of the new organization would be in the MHI Headquarters at Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York City. Those present at the meeting were offered the opportunity to join this new group by registering and paying an initial fee of $2.00 and by paying dues thereafter of $1.00 per week. Little announced that this new organization would hold a meeting next Sunday night (July 5, 1964) in the Audubon Ballroom, at which officers would be named.

Little claimed that this new group had the support of many local unnamed organizations, of several individuals who were on stage with Little and of new Afro-Asian nations, particularly Ghana.

The June 29, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 32 concerning the above meeting. The article stated that Little called for unity among Negroes in their fight for civil rights at a membership drive meeting of the "Organization of Afro-American Unity" held on the evening of June 28, 1964, at the Audubon Ballroom, New York City. They described this Afro-American organization as a recently formed black nationalist group.

Malcolm X Repeats Call for Negro Unity on Rights

Malcolm X called again last night for unity among Negroes in their fight for civil rights. He made the plea before about 500 persons at a membership drive meeting of the Organization of Afro-American Unity, at the Audubon Ballroom, 1631st Street and Broadway. The organization is a recently formed black nationalist group.

He did not mention in his address the presence in the city of Elijah Muhammad, the Black Muslim leader with whom he recently split. Asked to comment on Mr. Muhammad, Malcolm X replied:

"We all should stand together and go to Mississippi. This is our closing message to Elijah Muhammad: Lead us against our enemies. Do not lead us against each other."

ELIJAH told [redacted] to have the cartoonist, [redacted], send his cartoons to ELIJAH for approval. 
spoke of the apartment on 82nd and ELIJAH said to clean "her" things out of the apartment and put them in ELIJAH's house in the closet. ELIJAH said they could let [redacted] have it and then rent the apartment that is in now. He told [redacted] to change the locks on the door.
asked what he should do to [redacted] and the other one. ELIJAH said he should see that no more is added to it and stop them from coming to the temple and stop speaking to them until they shape up. [redacted] still believes and wants to come to the mosque but can't sell the papers.
He said he isn't giving the mosque up. ELIJAH said to keep him out until he stays away from the other one who is attending the mosque. [redacted] mentioned 83rd and St. Lawrence and that the person was weak around the others, but okay around the leaders. ELIJAH said [redacted] should watch this.

When ELIJAH was in contact with [redacted] she spoke of [redacted] and how he was really poisoned since he came out of prison. ELIJAH told her that he thought of cancelling it today although [redacted] said no and ELIJAH said it has gone so far. She told him he always made the right move so right up until Saturday the 27th if he had a mind to move that way then he should move that way. ELIJAH commented this was a good way to test whether Allah is with them and it's a good way to find out who is who.

6/15/84

[redacted] was in contact with ELIJAH MUHAMMAD and he told her that he would take her girls with him to New York. She said they were looking forward to the trip. She mentioned how she felt when others attack ELIJAH. She said after so many years of hard work and so much he had done for their people. She also said one of them at the school had taken a letter from overseas that was favorable to MALCOLM and ran off about 300 copies at the school and then issued them to the other group. She said she told the secretary and
Malcolm X to Elijah:
Let's End the Fighting

Malcolm X today called for an end to the three-month dispute which has split the Black Muslim movement in Harlem.

In an open letter to Elijah Muhammad, he urged an end to the hostilities which threaten to flare into open warfare between the two groups—the dissidents and the parent body headed by Elijah. He called for unity in solving the problems of Negroes in Mississippi, Alabama, Georgia and other parts of the South.

"Instead of giving all of this energy, time and trouble to fighting and tearing down the unity of the race, we and our friends should be planning an effort to solve the very real problems facing all Negroes and all Americans."

Elijah's Question

He said Elijah Muhammad should end the conflict, since the Muslims did not respond to violence when they were attacked. "We are not as fools as the Muslims in Los Angeles and Rochester, N.Y., they do not escalate the same way on each other."

"Malcolm X's statement came on the heels of a announcement by Muhammad's followers that they had received a "tip" from one of Malcolm's followers that plans were being made to assassinate Elijah Muhammad when he arrives at Kennedy Airport on Monday morning."

Malcolm X's Message

"We don't have to kill him. We cannot do that. What he has done will bring him to his grave."

Elijah's followers said that if it appears that the Black Muslims are planning to kill Elijah, they will march and shout their beliefs.

"Don't Leave Him Alone"

Malcolm X assailed the accusation and said the assassination threat was an excuse for the Muslims to bypass the free Negroes by having a free Negroes as the head of the movement.

"Instead of Minister James A. who did it."

A source, who has furnished reliable information in the past, furnished the following on June 25, 1964:

Malcolm X appeared on the Bob Kennedy "Contact" show on Radio Station WBZ, Boston, Massachusetts, from 6:30 p.m. to 8 p.m. on June 25, 1964.

Malcolm X was asked where he saw himself fitting into the Civil Rights struggle. He replied he saw it as a Human Rights struggle and not as a Civil Rights struggle. He feels he fits into any struggle for a way to bring about complete recognition of the Afro-American as a complete full-fledged human being or into any program designed to bring this about.

Malcolm X was asked if he felt an organization such as the "Mau Mau" of Africa or the "Blood Brothers" of New York was needed in this country and whether he condones or fosters such an organization. Malcolm X would not give a direct answer to this question but stated he would never condemn any action resulting from the continued suffering of the person who took the action. He sees conditions deteriorating to such a degree that any type of organization could possibly develop.

Malcolm X stated that on Sunday, June 28, 1964, he will announce the formation of a new group which will be called "Organization of Afro-American Unity" (OAAU). This will be a non-religious, action group which anyone can join except members of the white race. Its program will be political and economical and will furnish education for every aspect of life in the Afro-American Community. For every aspect of this life that is now negative, this new organization will design
an action to show the Community itself how to act on these negative aspects and so make for a more positive existence in the Afro-American Community.

Malcolm suggested that if white people are interested in helping, they can form an organization of their own and call it "White Friends of the Organization of Afro-American Unity."

Its principal aim is to lift the entire Civil Rights conflict into the realm of Human Rights and as such to bring it before the United Nations and air it on a world-wide basis.

When asked how militant this new group would be, Malcolm X stated that the black people in this country are justified in obtaining freedom by any means necessary. He then qualified this by saying they would be justified in taking any action which was intelligent, just and legal.

The group is willing to work with all other leaders and organizations who are making a genuine effort to bring about the end of the unjust conditions Negroes are experiencing in the United States. The group will not limit itself "to turning the other cheek". One tenet of the organization is the right of the Afro-American to defend himself. Malcolm X stated "We endorse the right of self-defense".

He predicted the new organization will have grass roots support from the Negro population and that it had already received pretty good support. Malcolm X refused to identify any members but stated that some famous writers, college students and a representative cross section of the Afro-American Community have met in private since Malcolm's return from Africa and they think they have finally got something to solve the Negroes' problems.

Later during telephone conversations with some of the audience, which is a feature of this radio show, Malcolm X, in answering a question concerning action in connection with the Civil Rights issue, stated he believed in fighting for Civil Rights and when he says fight for it he means fight for it. No elaboration was made on exactly what he meant by this remark.

 Approved: ________________________  Sent: __________  M  Per: __________
On 6/24/64, reliable, advised JOHN ALI (SDGMNS, National Secretary of the NOI) was in contact with an unknown man who told him MALCOLM X was to have been on the program tomorrow night (June 25) but it had been postponed to next week, exact date not known. ALI stated he would like to know when. ALI was asked if he would like to appear on the program with MALCOLM and he stated he would. The man stated he would ask MALCOLM about it and let JOHN know. The unknown man stated the police had suggested they provide a body guard for MALCOLM because of what was attempted in New York or Boston.

On 6/25/64, advised SA he had ascertained MALCOLM LITTLE would be on Radio Station WVON, 1450 kc, a FM-AM radio station at 3350 South Medzie, some night next week; that he would appear on a program called "Hot Line," which is MC'd by WESLEY SOUTH, and which is on Monday through Friday from 11:00 p.m. to Midnight. The program is of the type whereby people can call in and ask questions. Advised later on the same date that he had learned from SOUTH that MALCOLM would be in Chicago on Thursday, 7/2/64; that he was scheduled to arrive at O'Hare International Airport and was to go directly to the studios of NORMAN ROSS, where he would tape a TV program, "Off the Cuff" between 1:00 p.m. and 3:00 p.m.; that he would appear at Radio Station WVON at 10:30 p.m. and would be "live" on "Hot Line" between 11 p.m. and Midnight; that he was going to leave Chicago immediately after this program because of threats on his life. ADVISED SOUTH told him that during conversations with MALCOLM he had stated he broke with ELIJAH MUHAMMAD because of the "bastard cases" and said there were some sixteen in all. SOUTH opined that MALCOLM would talk about these "bastard cases" on the radio program. SOUTH advised further that MALCOLM's "contact in Chicago is a man by the name of QUAR."
For the information of the Bureau, Radio Station \( \text{WVON} \) carries "Hot Line" both on AM and FM. \( \text{NORMAN ROSS} \) is a well known local TV personality. His show, "Off the Cuff" appears on ABC Channel 7, \( \text{WBKB-TV} \), on Sunday nights starting between 11:00 and 11:15 p.m., depending on the length of the preceding movie, and lasts for some two hours.

Chicago will make efforts to determine when \( \text{MALCOLM X} \) will appear on the "Off the Cuff" show, presuming at this date it will be on the night of July 5 next.

Chicago will monitor both the TV show and the radio show. If no new statements are noted, other than those previously made over the radio in Boston on 6/12/64, the material will be channelized through routine channels. New and pertinent data will be forwarded to the Bureau and interested offices in communications suitable for dissemination.

Regarding the "OMAR" mentioned above, Chicago feels it could be \( \text{MARVIN EARL BARRETT} \), deposed Minister of Muhammad's Temple No. 12, Philadelphia, Pa. He has used the name \( \text{MARCUS OMAR} \) and \( \text{MARVIN OMAR} \) and may be in Chicago.

The Philadelphia Office is requested to ascertain if \( \text{BARRETT} \) is still in Philadelphia, and, if not, to attempt to ascertain if he may have returned to Chicago.

For the information of the Omaha Office, Chicago will attempt to ascertain if \( \text{MALCOLM} \) plans to go to that city upon leaving Chicago the morning of 7/3/64. \( \text{NEW YORK} \) should be alert for information indicating where \( \text{MALCOLM} \) may go after leaving Chicago.

Chicago will remain alert for any contact between \( \text{WALLACE MUHAMMAD} \) and \( \text{MALCOLM LITTLE} \) and the Bureau and interested offices will be advised of same.

to add to the ones he gave on 8/17. She said this
point would be #10, we are raising an increase in unemplo-
ment and lower wages; #11, how to make self employment;
#12, tax exceptions for so-called Negroes; #13, all Negroes should be exempted from paying equal taxes with
white citizens - a 50% cut should be made; #14, read the
economical program in Muhammad Speaks. commented
he wanted to use on the front page of the paper the picture
of KILLAH MUHAMMAD and . He said it was the
same photo they used on the New York poster. He said
this would be the last issue of the paper before the New
York meeting.

KILLAH MUHAMMAD was in contact with

and the big news services were holding up this MALCOLM thing.
He referred to Associated Press and Time Magazine.)
said MALCOLM came in and had no proof but it was nothing in
the first place. also said the Associated Press has
had it for 3 months (believed referring to MALCOLM's statement
or story). also mentioned that MALCOLM's book which is more
important is being held up as MALCOLM wanted to put it in
the book. He said they had talked to the publisher before.
also said he got word that MALCOLM was in hell and was
wailing and knocking on doors here and there. KILLAH commented

they could bring suit against these (small news services) that did it. He said if the big ones didn't do it, the little ones would soon die out. He also commented that he told a Life Magazine, which used to work with, that anything he might see or hear across the country to kill it and it killed for three months, it's gone and just as done and certainly nothing before New York (the 18th). He said that he told him that ELLIOT HUBER and so many rich things that he has put in his speech. He also said that letters were sent to the ambassadors from his mailing list and they got special invitations on UN stationery. He said they have answered and one in his office named (who is helping out and ELLIOT discussed the seating arrangements. He said he told them they would be allowed to sit in the press room which would be the first two rows on the floor looking up to the platform. He said that has been working on this.

ELLIOT asked about the man on Life Magazine said and commented that as far he was and this pain (meaning on their side), said MALCOLM has been building up this tale that they are after his life. He said MALCOLM has done this to give him an excuse for what he is doing. asked if would be at the meeting in New York and ELLIOT said he thought so as they are to be in this week. asked if he should put it in the story and ELLIOT said not unless they got direct word from them. said he would contact or send a telexogram and find out when they will return.
Enclosed herewith are two copies of articles from 6/20/64 edition of "The Philadelphia Inquirer," for the Bureau, and one copy for Chicago, New York, and Phoenix.

These articles, which bear the dateline of New York, tell of ELIJAH MUHAMMAD being the father of illegitimate children to six mothers who were secretaries of ELIJAH MUHAMMAD in Chicago. The article states that two girls from Germantown, Philadelphia, were among the secretaries.

Local Muslims Claim Charges Are Revenge for Suspension

The feud between Black Muslim leader Elijah Mohammed and his former No. One aide, Malcolm X, which reached a violent and scandalous height this week, had its public beginning in November of last year, when Malcolm referred to the murder of President Kennedy as "a case of mistaken identity among some (Christian) youths coming home from war."

He was immediately suspended by Elijah, who said that he had become exasperated with the death President. Several months later, Malcolm announced his withdrawal from the movement, to found his own Black Nationalist Party. "ENOUGH TOO MUCH"

Monday, he told a New York court that the real reason he was suspended was that he was "too much" about Mohammed. His motives in making the charges were questioned.

However, by loyal followers of Mohammed who call the charges false in Chicago, Sears, spokesman for Elijah, said:

"The man (Khalid) is a liar. He knows that we are now the ones who support him. He is trying to sabotage the movement by pointing to the assassination of Malcolm X as a murder."

He said this cost is $2,000 with a 5% discount at the end of every six months if the bill is paid within 7 days. He gave the income figure at 15 cents per copy for the paper although the real price of the paper is 20 cents per copy, is $30,000. He also said they had about $2,000 income from each printing due to advertising.

The enclosed letterhead memorandum is classified confidential inasmuch as information furnished by sources could reasonably result in the identification of these sources of continuing value and compromise their future effectiveness.

New Haven will report by appropriate letterhead memorandum any additional or more specific information which might be received, and which would be of value to New York or to the Bureau.
Characterizations of the Nation of Islam and of Muslim Mosque Incorporated appear in the Appendix attached hereto.

In June, 1964, a source advised that the Nation of Islam (NOI), Mosque #14, Hartford, Connecticut, was formulating plans to attend a rally at the 369th Armory, New York City, New York, on June 28, 1964, which rally will be addressed by ELLIJAH MUHAMMAD. This source advised that members of NOI Mosque #14 at Hartford, Connecticut, have hopes that travel to New York City to attend this rally will be made in thirteen buses. Current plans of this NOI Mosque are that buses will leave Hartford, Connecticut on Sunday morning, June 28, 1964, and return from New York the evening of the same day. It was the opinion of this source that not more than two or three buses would be used from Connecticut to attend this rally.

A characterization of NOI Mosque #14 appears in the Appendix attached hereto.

A second source advised in June, 1964, that at a recent meeting of Muhammad's Temple of Islam of the NOI held at Bridgeport, Connecticut, on June 16, 1964, those in attendance were requested to get as many persons as possible to travel to New York City on June 28, 1964, and reaffirm their faith in "The Messenger" (ELIJAH MUHAMMAD).

This second source also advised that on the basis of information obtained at this meeting, he was of the belief that
MALCOLM X would be addressing his followers at New York City at the same time as ELLIJAH MUHAMMAD would be addressing the NOI at New York City on June 28, 1964.

This second source has also advised that nothing has been said regarding travel to New York City by chartered bus to attend the NOI rally of June 28, 1964, and it is assumed by the source that travel will be by private transportation.

A characterization of Muhammad's Temple of Islam, Bridgeport, Connecticut, appears in the Appendix attached hereto.

A third source advised on June 12, 1964, that as of that date, to this source's knowledge, no plans were being made by the New Haven Temple of the NOI to attend the June 28, 1964 NOI rally to be held at New York City.

A characterization of Muhammad's Temple of Islam, New Haven, Connecticut, appears in the Appendix attached hereto.

A fourth source advised on June 17, 1964, that he had recently been advised by a member of the Fruit of Islam (FOI), if anyone said anything unfavorable about "The Messenger" (ELLIJAH MUHAMMAD), he should be punched in the mouth, and that if MALCOLM X didn't keep his mouth shut, he would be in serious trouble.

A characterization of the FOI appears in the Appendix attached hereto.

This fourth source advised that he had no information or knowledge relating to any NOI members traveling to New York by chartered bus to attend the NOI rally on June 28, 1964. This source advised he assumed that any member of the NOI attending the rally from Bridgeport, Connecticut, would undoubtedly travel to New York by private automobile.

An unknown minister (believed to be of Boston) was in contact with ELIJAH MUHAMMAD and asked him how he was feeling. ELIJAH said that he too had been thinking about the minister and asked him if he could stop out and see him before the 26th. Approved: Special Agent in Charge
On June 17, 1964, a confidential source who has furnished reliable information in the past advised that Rudolph X. Nickols, Nation of Islam (NOI) minister from Washington, D.C., addressed a meeting of Muhammad's Mosque #24, held June 14, 1964, at 2116 North Avenue, Richmond, Virginia. Nickols declared at this meeting that Malcolm X. Little should be killed for teaching against Elijah Muhammad, national NOI leader. He said that Malcolm X. has white devils as well as black men in "his organization", which is wrong, and he accused Malcolm X. of attempting to take away Muhammad's followers from the NOI.

Nickols did not indicate that any special action is planned against Malcolm X.

Characterizations of the NOI and Muhammad's Mosque #24 are attached.

This source also on June 17, 1964, advised that, to the source's knowledge, the Muslim Mosque, Incorporated (MMI) has never been mentioned at NOI meetings in Richmond, but that Nickols' remarks regarding Malcolm X. Little's "organization" undoubtedly referred to the MMI. According to the source, NOI members in Richmond have never been issued instructions regarding actions they should or should not take in contact with any follower of Malcolm X. insofar as the possibility of violence in such a contact is concerned.

A characterization of MMI is attached.

A Bridgeport, Conn. NOI informant has advised that members are being urged to attend the rally at New York on 6/28/64, however, no mention has been made concerning the number to attend or the means of transportation.

Concerning the public announcement of MALCOLM X, leader of MML, pertaining to his expose of ELLIJAH MUHAMMAD, contact with New Haven informants has revealed nothing new or positive concerning the feeling of the NOI in this regard. One informant advised he was recently advised by a member of the NOI to the effect that if anyone said anything unfavorable about "The Messenger", he should be punched in the mouth, and that if MALCOLM X didn't keep his mouth shut he would be in serious trouble.

The above information is being furnished to the Bureau and New York for information purposes and will be followed by appropriate letterhead memorandum.

New Haven will continue to follow and any additional information received concerning the above will be furnished the Bureau and interested offices.

Guerrilla Warfare Is Next

by CLARENCE HUNTERS

Guerrilla warfare is the next step in the civil rights struggle, said Malcolm X.

"We are still fighting the war of non-violence," he said. "If you don't see guerrilla warfare as the next step, then you don't understand the civil rights struggle." Malcolm X said that the war of non-violence had run its course and that a new form of resistance was necessary.

"The war of non-violence has failed," he said. "We need a new strategy to win the civil rights struggle." Malcolm X said that guerrilla warfare was the next step in the struggle for freedom.

"We are not fighting a war of attrition," he said. "We are fighting a war of survival." Malcolm X said that the struggle for freedom was a war of survival and that guerrilla warfare was the only way to win.

Mumia, while he was in prison,

"I was also told that he is

how many followers he will at-

act to his cause or Freedom

fighters organization, both of

which have appeared in Maine.

Having just returned from Al-

men, he said he would work to

create an organization that will

serve the interests of Africa.

The best way we can is to

Western and highly mechanized

society.

New Mosque Prospertz

Malcolm has registered his

church and is looking for

members. He will attract

converts as well as direct

masses from the Black Muslims

in the Middle East.

I want to take part in the

Muslim struggle as the

National Black Muslims

Commission of PIC, but charge the United

States with the same thing as

the Arab and the Portuguese are

charged with.

He spoke about the Algerian

Fights. He said that the

people are trying to throw off

their colonialism and

understand the need for the

Muslims.

Malcolm Little, who became a Black

Muslim, was warned by his

sister about the dangers of

Islam. Malcolm said,

"When I entered the Na-

tion of Islam in 1955 in Detroit

there were not over 200 active

members. By 1960, there were

over 3,500 members."

This is a time of crisis

because we don't want

our children to be

brainwashed.

Dr. Martin Luther King

said, "We have a moral

obligation to help our

brothers, and we have

a moral obligation to help

our community."

The desire and willingness to

work with other civil rights

organizations, Malcolm said,

in the major struggle of his

life and his Black

Muslim affiliation.

"In the Black Muslim

movement, we are

working with the police,

and the courts, and the

governments in an effort to

promote our causes."

Why did he leave Black Muslims?

Carefully avoiding any
descriptions or

comments about his

activities or his

associations, Malcolm

explained that the

movement began

because of the need

to bring together

people from different

cultural backgrounds.

"I grew up in a

community where

people from different

cultural backgrounds

brought together

their ideas and

experience to

create a more

inclusive society."

"As long as I thought the

Black Muslims represented

a new era of self-determination,

I represented them. When I saw

differently I

left them," said Malcolm, who

celebrated his 50th birthday

while visiting in Algeria

on May 15. In his

time and three

days, he is

known for his

activism in the

New York area.
The fact that he had been told the Black Muslim "was not teaching orthodox Islam, and that we had strayed 100 per cent from the path," suggested Malcolm's approach for understanding "Islam as it really was," Malcolm said.

Guest of Prince Faisal

He contacted Mahmoud Yousef Shawaibi, deputy director of the Islamic Center of New York and director of the Islamic Federation of the United States and Canada.

Mr. Shawaibi, he said, opened his eyes to brotherhood and tolerance between persons of different races. He gave him a letter of introduction which opened many doors for him during his pilgrimage, Malcolm said.

While in Jeddah, Saudi Arabia, Malcolm said, he was a state guest of Prince Faisal, who supplied him with transportation and a religious guide. He visited Mecca and Medina at will, wearing the native clothing and performing all the requirements of the religion.

On the way home, Malcolm visited Beirut, Cairo, Nigeria and Ghana. His speeches, especially in Ghana and Nigeria, attacked America's racial ill. He said he sought the aid of the Africans to get America's racial problems before the United Nations.
